MESSAGE FROM OUR PRESIDENT

Brian Barrick

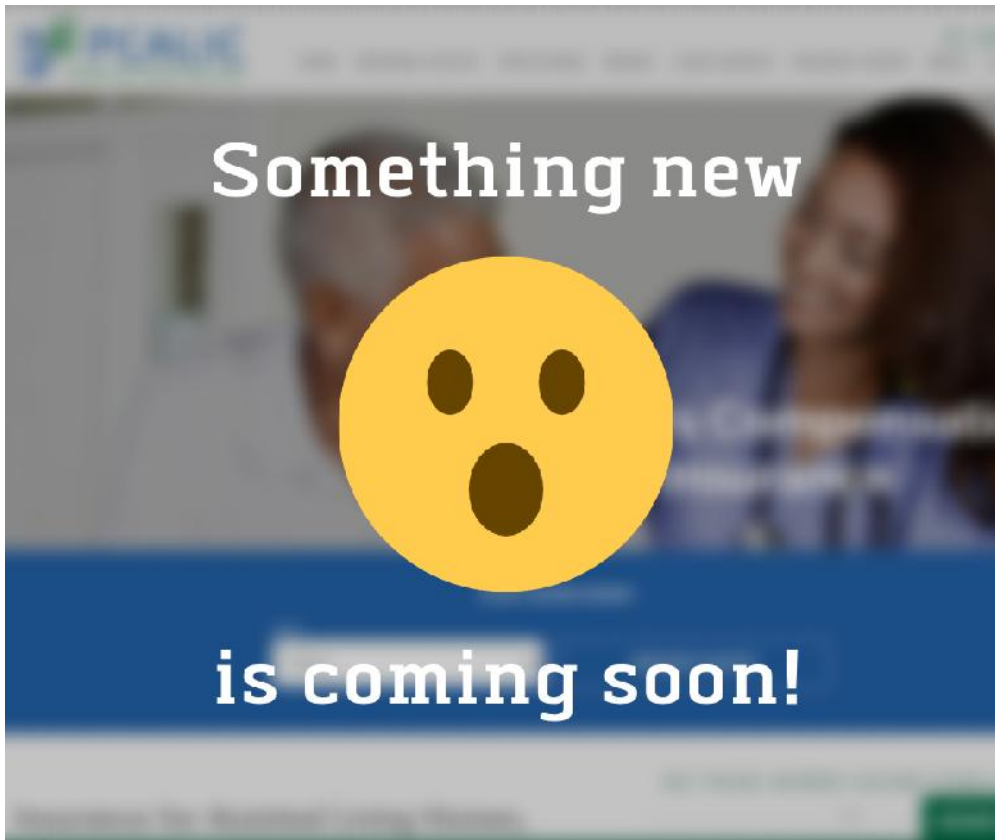

PCALIC was built on the philosophy of “caring for those who care”. In 2020, we are committed to continuing our journey of living this philosophy. I have spent the last few months of 2019 looking back, dissecting the things we have had success with and, just as importantly, the challenges.

And now we enter a New Year, full of things that have never been. The seeds are planted, the page is clean, opportunity is ours. We start a new chapter having learned from the prior experiences, lessons and journeys; prepared to enter a new year, 2020, and a new decade filled with opportunity to make ourselves better, to help make others better, to make a difference, and to make our world a better place.
